Product Manager - Relocation to the USA An exciting opportunity is available for Product Managers with a keen interest in bringing their expertise to the dynamic market of the United States. This role is perfect for individuals who have a passion for guiding products from conception through to launch, leveraging their strategic insight and innovative thinking in a vibrant new environment. Ideal candidates will be those with a strong background in product management and a desire to make a significant impact within the U.S. market. Role: Product Manager Key Responsibilities: Drive the product lifecycle from ideation, market research, development, to launch and beyond. Work closely with engineering, design, marketing, and sales teams to craft and execute product strategies that meet business objectives. Utilize market analysis to identify customer needs, trends, and the competitive landscape, informing product direction and features. Clearly articulate product vision and roadmap to stakeholders and team members, ensuring alignment and commitment. Use performance metrics and feedback to guide continuous product improvement and decision-making. Encourage a culture of innovation and creativity within product teams, promoting excellence in every aspect of product development. Requirements: A Bachelors degree in Business, Marketing, Engineering, or a related field. Demonstrable experience in product management, showing a track record of successful product development and launch. Strategic and analytical thinking skills, with the ability to make data-driven decisions. Proficiency in English, ensuring effective communication across diverse and dynamic teams. Leadership qualities, capable of motivating cross-functional teams and driving them towards common goals. Flexibility and adaptability to new environments and cultures, with a proactive

approach to challenges and opportunities for learning. Benefits: Opportunity to relocate to the United States and apply your product management expertise in one of the most innovative and competitive markets globally. Visa processing fees apply. Comprehensive relocation assistance, including help with legal and logistical aspects to ensure a smooth transition. Competitive salary with potential for growth based on performance and impact on product success. Access to an expansive professional network and ecosystem, enhancing your career prospects and opportunities for collaboration. Continuous learning and development opportunities in a market renowned for its cutting-edge practices and technologies. This Product Manager position offers a unique chance to not only advance your career but also to immerse yourself in an environment that values innovation and forward-thinking. If you are a dedicated Product Manager with a Bachelors degree and a vision for product success, we encourage you to apply for this transformative role.
